

Thank God, these treasonous American citizens could not make their rationalizations stick, because Oswald unexpectedly identified himself too soon as a Marxist or communist and a lover of Castro. That was too much talk on the part of Oswald. The veil had been pulled back from the communist or **SECRET SOCIETY** conspirators. Their plans went haywire. Time was working against them. More evidence was popping up here and there that this assassination was a **Communist Secret Society Plot**.

So Oswald had to be run off the stage of life quickly. Rubenstein, a strip tease nite club operator, a Jew with a sensitive, sympathetic heart, was assigned to do the job.

The day before the murder of Oswald, Ruby phoned his brother in Chicago. It was reported that his tears were being shed for the Kennedy family. Why this particular item in the press, when his hysterical weeping could have been due to the dirty job assigned by a Jewish secret society. On account of his nite club operation, Ruby was well acquainted with the police and the sheriff. This made it easy for him to enter the restricted area, and approach Oswald without arousing suspicion.

So no matter what may happen to Rubenstein, Oswald had to die for fear that he might weaken and expose the path that led to the TENT of the Conspirators.

Thousands saw Oswald's transfer on TV, when Ruby walked towards him. Oswald turned towards the man giving a sort of NOD, and Ruby whipped out his gun and fired. This split-second scene of recognition was shown ONLY that ONCE when it actually happened.

Oswald did not spend almost three years in the Soviet Union for nothing. You know that the man Prinz who threw the bomb that killed the **Crown Prince of Austria** in 1914 and, you might say, started World War I was trained for three months by a member of the **Education Department of the Serbian Government**.

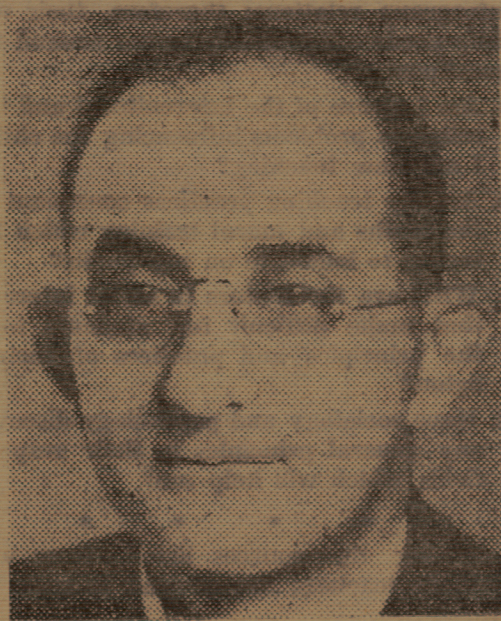

Oswald was permitted to stay in the Soviet Union for a purpose. With little occupation, he was able to marry a Russian girl. And then, to make an unsuspecting return to the U.S.A., he went to the U.S. Embassy and announced that he did not want Russian citizenship. So our already **SUSPECTED STATE DEPARTMENT**—suspect for **TREASONOUS ODDITIES**—THRU ITS **SOVIET EMBASSY** gave Oswald \$435.71 to return to the U.S.A. No sooner back than he began **FRIENDSHIP ACTIVITIES** for Castro.

Somewhere in the **Pharisaic Talmud** this thought is dwelt upon, namely, "only Jews are human beings. The non-Jews are only **ANIMALS**. When the animals pull your load, treat them well. But when they begin to buck, that is the time to get rid of them." It could be that JFK was beginning to realize that his 90 anti-christians in key positions were using him AS A **PROSELYTE OF THEIRS** to build an anti-christian atheistic communist (**JUDAIC**) **SYSTEM** throughout the world and at home. He might have expressed **RELUCTANCE** and even **REFUSAL** to be so used. On the home front this was indicated when he began to advocate a **WATERED DOWN** Civil Rights Bill. This was offensive to the officials of the Jew founded, Jew financed and Jew controlled **NAACP**.

And thus the animal was bucking, refusing to pull **The Full Load**. He had to be eliminated.

Then again, since JFK's advisors were followers of the Talmudic Pharisees, who maintain that since everything is **RELATIVE**, "The end justifies the means," a little assassination would help to **UNIFY** the majority of the people to demand that Congress pass all the suggested socio-communist legislation which JFK advocated in the beginning. An unconsidered rapid passage of such legislation would be a tremendous **TRIBUTE** by the multitude's Congress to this Young Great Christian Progressive Genius (?). And they had it all set up to ridicule and condemn all opponents and ob-

jectors: their opposition would be spoken of as "**HATE**;" no one but **HATEMONGERS** express or show opposition.

O LORD, DELIVER US FROM THE DECEIVED AND THE DELUDED PIOUS—LAY or CLERIC.

Do not forget that Pope Paul VI on Oct. 14, 1963 granted a private audience to 100 American Jewish leaders. He told them, according to press reports, "We have a common Bible and a common God." Such a statement simply misleads the pious and the impious, because they do not know that the Bible for the modern Jew since the year 70 A.D. is the Talmud, a 32 volume collection of all the interpretations that nullify the Old Testament (a part of our Bible). For these interpretations Our Lord condemned the Sect of the Pharisees who love to call themselves rabbis. (And besides it is doubtful that the Jews of today believe in a personal God, according to the meaning Christians attach to this word.)

Rabbi Max Raisin, considered by Jews to be a **Modern Mystic** of theirs, in a book of his maintains that we are all fragments of God and when we unite all these fragments under a Common Head we have a One God and a One Will—a sort of United Nations affair with a Security Council as a Divine Will.

And we also meet up with Rabbi Philip R. Alstat's explanation as given in the N. Y. Jewish Examiner for October 17, 1963. He says that: "... the Talmudic explanation (Berachoth 31B) is that 'the Torah necessarily spoke in human language.' But only those who reach full intellectual maturity appreciate Judaism's abstract conception of the deity, as formulated by Maimonides in the third of his Thirteen Principles of the Jewish Faith, that 'the Creator . . . is not a body, and that he is free from all the accidents of matter and that he has not any form whatsoever'". This approaches what we are taught, namely, that God is a Pure Spirit. And if you read again the Rabbi's explanation of the Judaic Abstract Conception of the Deity as formulated by Maimonides you will readily see on what they base their denial of the fact that Jesus Christ is the Son of God made Man, and is the Messiah.

AMERICAN JEWISH COMMITTEE YEARBOOK 1954

"To supplement the work done at Yale University we will attempt, in 1954, to engage in a study of Protestant lesson material on a regional basis We have begun to see the fruits of our efforts, together with those of the ADL, to stimulate various departments of the National Council of Churches to develop intergroup programs." (p. 58)

On Oct. 17, 1963, three days after these 100 anti-christians met in private audience with Pope Paul, the New York Times News Service (Jewish owned) released from Rome what the Jews always wanted to hear—"Wrong to blame Jews for Jesus' Death, **SCHEMA** says." This is another example of "The Mob Psychologists" exercising pressure and influence to force a conclusion up their alley.

Then on November 9, 1963, AP dispatch from New York discloses that the N. Y. Times News Service release above was a "Roman Catholic proposal blaming all mankind, not Jews alone, for Christ's death."

Jewish and Protestant leaders such as Dr. Nahum Goldmann, the President of the World Jewish Congress, and Dr. Lewis Webster Jones, President of the National Conference of Christians and Jews, highly praised that disclosure. That is nothing NEW. Catholics have always been taught that. But that does not deny the fact that THE JEWS were right there on the scene clamoring for His Crucifixion and for His Blood to be upon them and upon their children.

This was only mental conditioner for what they knew was coming ten days later. On November 19, 1963 a UPI dispatch from Vatican City reports that Roman Catholic Bishops at the Ecumenical Council THUNDEROUSLY "applauded the presentation of a report condemning Anti-Semitism and exonerating Jews of any special guilt for the Crucifixion of Christ."

And now, to give this picture a halo of respectability and sanctity, Cardinal Bea of the Society of Jesus permitted a picture of himself and Rabbi Abraham Herschel, a professor at the Jewish Theological Seminary, to be distributed. The bearded rabbi is grinning with satisfaction, as if he had just been served a choice morsel. Certainly Rabbi Herschel realized the momentous significance of this accomplishment. Besides this **Our Sunday Visitor** for Dec. 8, 1963 featured a picture of Zachariah Shuster, European Director of the American Jewish Committee, which can be referred to as "**THE WORLD VATICAN**" of Anti-Christ Pharisaism. This Committee attempts to seduce Christian leadership to delete historical facts from the Gospel, while refusing to expunge from their Talmud blasphemies against Christ, that He is deserving of FIVE sadistic deaths, burning, strangling, stoning, decapitation and finally crucifixion, because He was A **BLASPHEMER OF THEIR PHARISAISM**. They refuse to tear out objectionable pages from their Talmud; yet they work by deceit and seduction to get the naive and undiscerning Bishop of the Vatican Council II to make a declaration that in effect would tear up the New Testament, particularly chapter 23 of St. Matthew, passages in St. John's Gospel and 2nd Epistle, and those passages in St. Paul's Epistle wherein he denounces the Pharisaic Jews, "who killed the Lord Jesus, and the prophets, and have persecuted us; and they please not God and are contrary to all men (or 'and are the adversaries to all mankind') . . ." (I Thess. 2:15). We must never forget that "All the people answering said: 'His blood be upon us and upon our children'". The mob psychologists or the propagandists of the Pharisees worked the people up to this emotional pitch to clamor for His Crucifixion.

A little spice was added to the above dispatches by a NEW dispatch from Rome on Nov. 7, 1963: "Otto Preminger (a Jew), a movie producer, received **THE GRAND CROSS OF MERIT FROM THE KNIGHTS OF THE HOLY SEPULCHER**, a Roman Catholic Order."

So it would seem that the Bishops are being pressured or jockeyed by Jews into a position which could result in betrayal of Christ and rejection of the Bible. An editorial in the Rocky Mountain News for Nov. 20, 1963 is typical of current propaganda. "An Historic Church Paper. — The Second Vatican Council has made important
